DIRT JOCKEY

Heavy Equipment Operator

WARNING: READ BEFORE USING YOUR PLAYSTATION® GAME CONSOLE.

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games, including games played on the PlayStation game console, may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following symptoms while playing a video game – dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions – IMMEDIATELY discontinue use and consult your physician before resuming play.

WARNING TO OWNERS OF PROJECTION TELEVISIONS:

Do not connect your PlayStation game console to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

USE OF UNOFFICIAL PRODUCT:

The use of unofficial products and peripherals may damage your PlayStation game console and invalidate your console warranty.

HANDLING YOUR PLAYSTATION DISC:

- This compact disc is intended for use only with the PlayStation game console.
- Do not bend it, crush it or submerge it in liquids.
- Do not leave it in direct sunlight or near a radiator or other source of heat.
- Be sure to take an occasional rest break during extended play.
- Keep this compact disc clean. Always hold the disc by the edges and keep it in its protective case when not in use. Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge. Never use solvents or abrasive cleaners.

STARTING UP

Set up your PlayStation® game console according to the instructions in its Instruction Manual. Make sure the power is off before inserting or removing a compact disc. Insert the *Dirt Jockey™* disc and close the disc cover. Insert game controllers and turn on the PlayStation® game console. Follow on-screen instructions to start a game.

GAME CONTROLS

DUALSHOCK® ANALOG CONTROLLER

To select menu options, use the directional buttons to navigate through the menu options, highlight the desired option, and press the × button to accept. Press the △ button to cancel or return to the previous menu.

↓	Shorten Boom	× Button	Lift Boom	L2 Button	Overhead Camera
←	Rotate Left	□ Button	Move Camera Right	R1 Button	Lift Hook
→	Rotate Right	○ Button	Move Camera Left	R2 Button	Lower Hook

STARTING A GAME

Press the **START** button at the **TITLE** screen to start **Dirt Jockey**. Then choose **NEW GAME** to start a new game or **LOAD** to load a saved game.

GAME MODES AND OPTIONS

GET LICENSED: Go through training, pass a test and get an operator's license for each type of machine.

BUILD: Take your licenses and put them to work building a new department store.

PRACTICE: Practice mode is for one or two players. Take the heavy equipment model of your choice (everything but the crane is available) and push around some dirt.

EQUIPMENT RODEO: For one or two players, test your skill with the Hydraulic Excavator.

OPTIONS: Set sound volume, turn vibration on and off, and display ranking of **EQUIPMENT RODEO** scores.

SAVE: Save your game here.

GET LICENSED MODE

You need to pass a series of training exercises and a final test to get licensed for each type of equipment. An instructor will explain everything you need to know. If you pass, you can use the equipment in BUILD mode. If you fail, you can either repeat the test or work with other equipment for a while. Then try the test again later.

BUILD MODE

Only a licensed operator can work in this mode. Help put up a new department store.

Each equipment operator is required to finish a certain amount of work by sundown. If you fail to finish the scheduled task, you'll have to start the day over. The hills and sun icon at the bottom left of the screen shows the time of day. The sun rises from the left and moves to the right. When it sets, time's up.

You don't need all the machine licenses to begin construction of the department store. However, all the equipment is used in the construction, so if you're lacking a license, you'll need to stop building and go back for that license in Get Licensed mode.

PRACTICE MODE

This free practice area is open to one or two players. Take your favorite Hydraulic Excavator, Dump Truck, Wheel Loader or Bulldozer and push dirt around. Build a mountain or take one down, spell your own name in the mud. Whatever. There are three separate locations and each location has five different maps to choose from.

EQUIPMENT RODEO MODE

Test your skills with a Hydraulic Excavator in these four games that can be played with one or two players. In single player mode it's a fight against the clock. In two player mode there's still a clock running but it's mostly about besting your buddy.

GAMES

Treasure Hunt

There's treasure hidden out there just waiting to be dug up! Use the hint markers that appear every 30 seconds to find the treasure that's worth the most points. The total points of all the treasure you dig up is your final score. Watch out! Some treasure scores minus points!

Mountain Maker

Build a one-meter mound inside a circle. Efficiency is the key to winning this one! In two-player mode, the first player to reach the set height is the winner. The field has two circles near each other, so each player has to be careful not to hit the other player and lose valuable time.

Overdrive

Get to the finish line on the other side of a wall within a limited amount of time. You'll need to fill in the ditches and pile dirt over the barriers to reach the finish line. Speed is the key to winning this game!

SpinTouch

Earn points by touching the lit panel with the tip of the Hydraulic Excavator's bucket. Touch two or more in a row and earn bonus points. The panels rotate fast, so you have to be quick.

NOTES

CUSTOMER SERVICE AND WARRANTY

Mastiff LLC ("Mastiff") warrants to the original purchaser of this product that the medium on which this program is recorded is free from defects in materials and workmanship for a period of ninety (90) days from the date of purchase.

This warranty shall be void and moot if the defect in this Mastiff product has arisen through neglect, abuse or any attempt to use the product other than as specified in this manual. This warranty is in lieu of all other warranties whether written or verbal, and no other representations or claims of any nature shall be binding on or obligate Mastiff. All implied warranties, including but not limited to the warranties of merchantability and fitness for a particular purpose are waived to the extent permitted by applicable law. In no event will Mastiff be liable for incidental or consequential damages resulting from possession, use or malfunction of the Mastiff product.

Some states do not allow limitations as to how long an implied warranty lasts and/or exclusions or limitations of consequential damages, so the above limitations and/or exclusions of liability may not apply to you. This warranty gives you specific legal rights, and you may also have specific legal rights which vary from state to state.

Repair Service and Technical Support – If your game disc requires repair or replacement please contact Customer Service by email at customerservice@mastiff-games.com.
